Implementation Plan

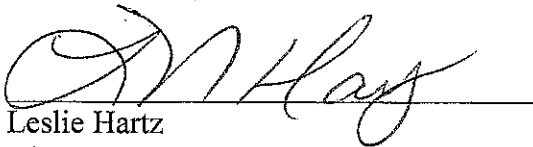

EC 3 Attachment 2

Affirmative Statement for the Supply Header Project

AFFIRMATIVE STATEMENT

Supply Header Project
Docket No. CP15-555-000

Dominion Energy Transmission, Inc. hereby affirms that all appropriate company personnel, environmental inspectors, and contract personnel will be informed of the Environmental Inspector's authority and will be trained on the implementation of environmental mitigation measures appropriate to their respective jobs, prior to becoming involved with construction and restoration activities.

Leslie Hartz
Vice President
Pipeline Engineering & Construction
