

Landowner Contact Information

JULY 2020

On July 5, 2020, Atlantic Coast Pipeline, LLC (Atlantic) announced the cancellation of the Atlantic Coast Pipeline (ACP) Project. Atlantic will work with local, state and federal regulators to determine how best to restore the right-of-way in areas that have been disturbed and manage the transition of project-related facilities.

Please watch for updates on atlanticoastpipeline.com for the latest information on the status of the project stand down.

Land Representatives

Your land representative is your first and primary source for information. If you do not have your land representative's contact information readily available, please contact the land supervisor for the state in which your property is located.
